

SUBMITTING PHOTOS TO THE BajaSKINS GALLERY

Following these simple steps will allow your Baja 5b images to be displayed properly:

Preparation:

- 1) Fill your View Finder frame with your 5b.
- 2) Eliminate as much “unnecessary” background as possible.
- 3) Use the “Fine” setting.

The Images should be:

- 1) Copies of your original camera output without any size, color, or pixel depth adjustments. We respect your copyright and will post it.
- 2) Format: JPEG, jpg or any other standard format.
Photoshop (.psd) or equivalent with layers intact.
- 3) Descriptive text: Should be in editable layers so we can place it to fit. Please use standard fonts.
- 4) Media: CD or Email

Submission by:

- 1) Email: support@bajaskins.com
- 2) Postal Mail: Baja Skins Support
P.O. Box 2644
Hollister, CA 95024

Please include your name, address, phone, email address and any descriptive/tech information.
